

3207/22

Please add the following claim:

B1  
49. (New) The method of claim 26, where the step of determining comprises identifying the drug being prescribed of the first prescription data record as a therapy switch if any illness treatable by the drug being prescribed of the first prescription data record matches any illness treatable by any drug being prescribed of any of the matching pre-stored prescription data records.

#### REMARKS

The second claim numbered as Claim 26 has been canceled. Claim 49 has been added. Claims 1-49 are currently pending in the application.

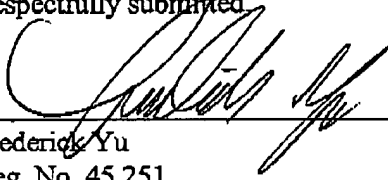

In response to an Office Action dated May 15, 2001, Applicant filed an Amendment and Response to Office Action on September 17, 2001 (the "First Amendment"). In the First Amendment, Applicant added two claims numbered as Claim 26. In this Supplemental Amendment, Applicant has canceled the second of these claims previously numbered as Claim 26 and added the claim here as new Claim 49.

3207/22

Applicant respectfully submits that all pending claims, claims 1-49, are in condition for allowance and allowance of all claims is respectfully solicited. To expedite prosecution of this application to allowance, the examiner is invited to call the Applicant's undersigned representative to discuss any issues relating to this application.

Respectfully submitted

Dated: November 26, 2001
